

TVs & Monitors

Smart televisions, tempered-glass displays and desktop monitor families.

Source globally. Trade seamlessly.

Sourcing • Procurement • OEM branding • Quality control • Global logistics

14 product families and designs | October 2026

Your China sourcing link

CSL IMPEX supports international buyers with product sourcing, supplier coordination and import-export requirements. Select a catalogue code and share your destination market, specification and order quantity for a tailored quotation.

Sourcing & procurement

Supplier search, product matching and purchasing coordination.

Custom products & OEM manufacturing

Brand artwork, private-label options, packaging and configuration requests.

QC & reporting

Agreed inspection scope, sample checks and photographic reporting.

Logistics & documentation

Air, land and sea shipment coordination and trade-document support.

Negotiation

Commercial terms, order quantities and delivery coordination.

Catalogue guide

Specifications are transcribed from the supplied product literature. Multiple values indicate alternatives and may not be available together. CSL codes are catalogue identifiers. Product artwork and screen content are illustrative; included software, cameras and accessories must be confirmed. OEM logo placement is subject to artwork approval, MOQ and manufacturing feasibility.

CSL-M01

QHD gaming monitor

OEM BRANDING OPTION | Product bezel, rear label and carton - subject to confirmation

Screen size options	23.8 / 27 in
Resolution	2560 x 1440
Main-table refresh rate	144 Hz
Contrast / colours	4000:1 / 16.7 million
Brightness	190 cd/m2 +/-10%
Backlight / display type	LED listed
Response time	6 ms
Viewing angle	178 degrees stated in source

PACKING & ORDERING

40HQ loading reference (units by screen size in inches): 23.8: 2,660; 27: 1,880. Verify final carton and loading plan.

Confirm before ordering: Source lists additional refresh-rate options of 75 / 120 / 144 / 165 / 240 Hz. Confirm the exact panel, resolution and refresh combination.

CSL-M02

Full HD desktop monitor

OEM BRANDING OPTION | Product bezel, rear label and carton - subject to confirmation

Screen size options	23.8 / 27 in
Resolution	1920 x 1080
Main-table refresh rate	75 Hz
Contrast / colours	4000:1 / 16.7 million
Brightness	190 cd/m2 +/-10%
Backlight / display type	LED listed
Response time	6 ms
Viewing angle	178 degrees stated in source

PACKING & ORDERING

40HQ loading reference (units by screen size in inches): 23.8: 2,660; 27: 1,880. Verify final carton and loading plan.

Confirm before ordering: Source lists additional refresh-rate options of 75 / 120 / 144 / 165 / 240 Hz. Confirm the exact panel, resolution and refresh combination.

CSL-M03

Full HD high-refresh monitor

OEM BRANDING OPTION | Product bezel, rear label and carton - subject to confirmation

Screen size options	23.8 / 27 in
Resolution	1920 x 1080
Main-table refresh rate	165 Hz
Contrast / colours	4000:1 / 16.7 million
Brightness	190 cd/m2 +/-10%
Backlight / display type	LED listed
Response time	6 ms
Viewing angle	178 degrees stated in source

PACKING & ORDERING

40HQ loading reference (units by screen size in inches): 23.8: 2,660; 27: 1,880. Verify final carton and loading plan.

Confirm before ordering: Source lists additional refresh-rate options of 75 / 120 / 144 / 165 / 240 Hz. Confirm the exact panel, resolution and refresh combination. A 2K icon conflicts with the Full HD table; confirm before ordering.

CSL-M04

Compact desktop monitor family

OEM BRANDING OPTION | Product bezel, rear label and carton - subject to confirmation

Screen size options	17 / 18.5 / 19 / 20 / 21.5 / 23.6 / 24 in
Resolution	1920 x 1080
