Product supply, sourcing and trade coordination. Confirm the final configuration, packing and commercial terms with CSL IMPEX.

Cutting & Grinding Wheels

Catalogue Guide

Use the CSL reference shown on each page when requesting a quotation. Send your required specification, quantity, delivery destination and preferred timeline.

Technical values and packing fields retain the supplied selection information. Missing units or inconsistent source entries are identified for confirmation; they have not been silently corrected.

Supplier branding has been replaced with CSL branding in presentation mock-ups. These edited photographs illustrate proposed branding, not confirmed factory-applied marks or supplied packaging. Range photographs may show examples rather than every size; select using the written specification and confirm branding, appearance and accessories with your order.

CSL IMPEX presents sourcing selections. This catalogue does not imply that CSL manufactures the products or independently certifies source-listed performance, protection or material claims.

Selection Overview

Cutting / Grinding Wheel - 36 selections

Cutting & Grinding Wheels

CSL-GW-001

Cutting / Grinding Wheel

CSL IMPEX

CSL-GW-001 | Branding Concept

Size / Type (original notation)	107 x 1.0 x 16(超薄，不锈钢) T41
Carton Quantity	800
Gross Weight (source unit not stated)	21.5
Carton Dimensions (source units not stated)	48 x 25 x 18.5
Size Group	100 series(4")
Application Note	Ultra-thin; stainless steel

Illustrative range image. Match the written dimensions, wheel type and approved machine rating before selection; image markings are not specifications.
