

OUR LIGHT TYPES

01

Tap Light

A simple tap brings a burst of colorful light — playful, vibrant, and eye-catching.

02

Touch Sensor Light

Smart touch control delivers smooth brightness and effortless elegance.

03

Projection Night Light

Creates dreamy lighting effects that fill spaces with warmth and imagination..

04

Toy Night Light

Durable enough to kick, squeeze, and play — a night light built for real fun and safety.

05

Bluetooth Speaker Night Light

A night light series that glows softly while filling your space with music — combining light and sound for a cozy, immersive experience.
